

PROTECTING THE RIGHTS OF CHRISTIANS IN A POST-CHRISTIAN WORLD

Defending Christians and churches whom the world wants to silence

When Christian bakers are fined hundreds of thousands of dollars for sticking to their God-given convictions, religious liberty in America is in great jeopardy. The NCLL shields innocent Christians the culture decides to attack. With proven legal defense counsel, informative resources, and vitally important educational seminars, we empower churches, ministries, businesses, and individuals against treacherous efforts to silence their faith.

THESE ATTACKS COME WHEN THEY'RE LEAST EXPECTED, SO DON'T ALLOW YOURSELF TO BE VICTIMIZED. TO LEARN HOW THE NCLL CAN PROTECT YOUR RELIGIOUS LIBERTIES OR TO SCHEDULE A SPEAKER AT YOUR CHURCH, **CALL US TODAY AT 888-233-6255, OR VISIT US ONLINE AT NCLL.ORG**
